

ENROLLMENT PROCEDURES CHECKLIST

_____ Obtain an application from either the school office or online at fayettechristian.org

_____ Return the completed application to the office with the non-refundable application fee.

_____ Pay the \$40.00 testing fee. A date for administering the test will be determined by the school.

_____ A family interview with parents or guardians, and the prospective students (7th-12th grade) is required. The interview allows the family to learn about the school's philosophy and policies, and it allows the family to determine if our educational goals coincide.

The following steps must be completed before final acceptance can be granted.

_____ Complete an authorization form to allow us to request the academic records of the student.

_____ Provide a birth certificate (We will make a copy and return the original.)

_____ Provide current proof of immunization.

_____ Provide any legal documents such as custody papers that are needed to enroll the child in school.

Upon the completion of this process, the school will notify the family of its enrollment status.
