Christian School

**February has arrived**, and although it is the shortest month, it is full of activity. Please take time to read through this newsletter, so you won't miss any important information or events.

**This is re-enrollment week (13th-17th)**. By re-enrolling during this week, you can save \$100 per child's yearly tuition as well as save \$25 on the re-enrollment fee (\$50 instead of \$75). Re-enrollment packets were sent home this past Friday. If you didn't receive one, please, contact the school office.

**This week is also spirit week** because we have our last regular season home game on Tuesday, February 14. This game is also senior night, so we want everyone to come out and support our varsity boys' and girls' teams as they play Royalmont. The first game tips off at 6 p.m. A flyer was sent home last week telling what each special day is. Also, the varsity boys have a playoff game Friday night against High Street.

**We will not have school on Monday, February 20**, in honor of Presidents' Day. There will also be no school on **Friday, February 24**, because we are hosting the BCSO tournament and will be using a majority of our facility that day. ***Please note that this is a change to our calendar.***

**We will be hosting** the annual BCSO state basketball tournament February 24-25. We are excited to do this, and we want to be good hosts. We hope everyone will support this endeavor with your help, your attendance, and your prayers.

**The science fair** for students in 4th-6th grades and the art fair for students in 3rd –12th grade are March 2.

**The PTF has sent invitations to grandparents** of students in 1st-12th grades to attend Grandparents' Day on March 3. Please return your RSVP to the school office as soon as possible. This is a special event, and we hope many grandparents will be able to come for the afternoon.
